PROFILE INFO

I am a Full Stack Software Engineer with a passion to make the world a better place through technology. I am also a Real Estate Agent and Valuer I consider myself to be an intelligent and presentable individual, with an out-going likable personality and an ability to work effectively as part of a team as well on my own initiative. I am also a determined individual who sees tasks through to the end, whilst planning and organising activities to meet timelines.

WORK EXPERIENCE

Mar 2020-Present Head of IT Department

Tunda Green Limited

I started working in Tunda Green as a junior developer on February 2021 but was later promoted to Head of IT department about a year later and this is what I am currently doing. At Tunda Green we aim to positively improve the lives of local farmers through Technology.

Sep 2021 - Dec 2021 Real Estate Sales Rep

Comfort Homes

In The University of Nairobi I did my first degree, Bachelor of Real Estate where I focused on Real Estate valuation, Real Estate Law and Real Estate Agency

Mar 2019 - Nov 2019 Full Stack Web Developer

Moringa School

At Moringa School I was involved in several Programming and Web development projects where we would get external partners and work for them.
